Can you make a hit hub folder for this new sheet? I laid out what they sent, so you can finish it Monday.

EEK! I forgot about that. Yes, if you have time and could start on it today, that would be wonderful. Thanks!

Hi Suzanna and Erika,
Jeff collected the info for the attached fact sheet, and I edited it this morning—he needed to get it to Norma Smith today. But he'd like to use it more widely next week. Suzanna, could you review, revise and return your comments to me by Monday morning? If you could loop in any of the other ERCs that might want to see it, I'd appreciate that as well.

Erika, if I get the revised text to you no later than Monday at noon, could you lay it out as a pdf for Jeff to distribute first thing Tuesday morning? Sorry for the tight turnaround. Jeff just got the materials from the

watersheds yesterday, and next week is his last opportunity to get out there and advocate for PSAR funding. Thanks, both of you for your help with this!
